FOREWORD

Acharya N.G. Ranga Agricultural University is offering several academic degree courses in the Faculties of Agriculture, Agricultural Engineering and Technology and Community Science to suit to the present day requirements of agricultural education, research and transfer of technology. Based on the ICAR 5th Deans Committee recommendations, the academic programmes were revised and implemented from the academic year 2016-17 in all the three faculties. Permitted by the Govt. of A.P., the university accorded affiliation to agricultural colleges for offering degree programme in Agriculture from the academic year 2016-17.

The university felt it is necessary to bring-out the updated "Academic Regulations Governing Under Graduate Programmes of the University including Affiliated Colleges" to guide the university authorities, college administration, faculty and students to adopt and follow the academic procedures. The editors compiled all the information on academic regulations pertaining to admissions, registration, defining academic year, semester, credit hours, course, grading system of course, study load for the semester and attendance of student. The examinations and evaluation of student, grades including mass absence of students from a class or examination and unfair means during tests and examinations, scrutiny of grades, academic status and scholastic deficiencies, year of standing and graduation requirements were also compiled. The editors also compiled information on student responsibilities, transfer policy, record of courses, authorities for approve results and issue of degree certificates, award of degrees, amending or cancellation of results and transitory provision as well as the advisory system to be adopted for the benefit of all the students admitted into the under graduate programmes of the University.

I am confident that this publication will be of immense use in guiding all the concerned in the university and its affiliated colleges with the academic rules and regulations being implemented in the university for successful completion of U.G. academic career by the students. I appreciate the Registrar, Deans of Faculties of Agriculture, Agricultural Engineering & Technology and Community Science and all the Academic Council members for their valuable inputs for these guidelines.
